I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you struggling to keep up with the major shifts and constant changes occurring in the business world? Would you like to understand and apply modern business practices to increase your level success? Do you want your business to be flexible and able to adapt to new opportunities? If you answered yes to any of these questions, then MBA 2.0 might be exactly what you've been looking for. MBA 2.0 was created in response to the noticeable lack of coherent material discussing the recent changes in the landscape of modern business. There may be a wealth of information available, provided you know where to look, but rarely is it compiled in a concise, accessible, and comprehensive format that covers every vital aspect of today's modern business practices. MBA 2.0 approaches the business world through the experience and wisdom of today's most significant thought leaders and is revealed in a cutting edge perspective not found in similar texts. It has eliminated the unnecessary material that fills the pages of many expert guides in exchange for a streamlined explanation of the material you need to elevate your business in today's market. In MBA 2.0 you will explore and learn more about: Workplace Psychology Cultivating entrepreneurial spirit Building and sustaining motivation Time management strategies Personal development techniques The psychological underpinnings of Human Capital Management Career Development strategies Dealing with and positively utilizing failure How to move ideas from the drawing board to reality How business has changed and how it will continue to develop in the future Various case studies that examine successful business adaptations An outline of the emerging new paradigm of business behavior Mega-shifts, and...
