Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Many have read or heard about the story of Adam and Eve in the Garden of Eden. Even if you do not believe in the story, you will enjoy the love story and what life would have been like in that beautiful garden paradise. Imagine having a perfect body, without disease or flaw. Two exquisite humans with everything to live for, everything they could possibly want-and they rejected it and their Creator. What could have motivated them? What could be so important that they would ultimately cause disease, violence, destruction and death for the human family? This thought-provoking novella will make you think differently about the world in which we now live with its many seemingly unsolvable problems. Is the tragedy of the love story gone bad the reason we are in turmoil today? Is there any way to change that with a different kind of love? You be the judge.
