Roaring Brook Press, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Kirkus Reviews Best known for fluid, superbly realistic oil paintings, Rohmann switches to thick-lined colored woodcuts and a simpler pictorial style for this nearly wordless, engaging, wacky episode. . . . Rohmann uses wordless, and sometimes even empty, frames to great comic effect, allowing huge animals to make sudden entrances from the side or from above, and artfully capturing the expressions on their faces. Young readers and pre-readers will chortle at the silliness of it all while enjoying the sometimes-demanding friendship between these disparately sized chums. Booklist Mouse, the narrator who flies a red and yellow biplane, tells listeners that his friend Rabbit "means well," but that trouble always follows him. Then comes a smart, sassy object lesson on how much trouble Rabbit brings. The fun of this is in the spacing and sequencing of the heavily ink-outlined drawings. After Rabbit has thrown Mouse's beloved biplane into a tree, one full page consists of tiny Mouse staring up, ink accents marking his exasperation. On the facing page, Rabbit darts off, promising a solution. The next double-spread shows an anxious Mouse as Rabbit drags one enormous tail into view. The space fills with a massive elephant. Then Rabbit pulls in, among others, a rhino, a reindeer, and a duck (followed, of course, by ducklings). Now, the two-page spread must be turned vertically to reveal a giant pyramid of animals, topped by a squirrel holding Mouse, who reaches for the biplane--then the mass topples. Rage-filled beasts turn on Rabbit. Mouse, flying in on his recovered plane, saves Rabbit from their clutches and claws. Tremendous physical humor delivers a gentle lesson about accepting friends as they are. School Library Journal A simple story about Rabbit and...
