Brand New Book. Rain Birds is a novel about the environment, relationships and the boundaries of love, the mounting pressure of time, and the feeling that we are all hurtling towards an end we cannot avoid or alter. It is a story about how we navigate the clashing of personal tragedy against global responsibilities, the weight of personal grief against an environmental one. It is a story about the conflicting roles women find themselves in and about how we decide when the right thing to do is to let go. Harriet was inspired to write Rain Birds after hearing a story on Radiolab about a woman feeding endangered birds in her backyard. Harriet was home-schooled by her teacher mother for most of her primary education. She grew up surrounded by bushland on the NSW coast near Bermagui, which has led to a lifelong love of the Australian bush and environment, which features prominently in Rain Birds. Harriet is the winner of numerous short story prizes and has been widely published...

### Reviews

*It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
