Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

WALKING/WILD APPLES (PAPERBACK)

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English. Brand New Book ****** Print on Demand ******. Walking / Wild Apples is a compilation of two classic philosophical nature essays by the great American naturalist and philosopher, Henry David Thoreau. I wish to speak a word for Nature, for absolute freedom and wildness, as contrasted with a freedom and culture merely civil--to regard man as an inhabitant, or a part and parcel of Nature, rather than a member of society. I wish to make an extreme statement, if so I may make an emphatic one, for there are enough champions of civilization: the minister and the school committee and every one of you will take care of that.
