COMPUTER SECURITY INCIDENT HANDLING GUIDE

CreateSpace Independent Publishing Platform Paperback. Condition: New. This item is printed on demand. 92 pages. Dimensions: 11.0in x 8.5in x 0.2in. Computer security incident response has become an important component of information technology (IT) programs. Security-related threats have become not only more numerous and diverse but also more damaging and disruptive. An incident response capability is necessary for rapidly detecting incidents, minimizing loss and destruction, mitigating the weaknesses that were exploited, and restoring computing services. This publication assists organizations in establishing...

Reviews

Without doubt, this is the very best operate by any writer. This is for all those who statte that there was not a well worth reading through. I discovered this pdf from my dad and i suggested this book to find out.

-- **Dominique Hue1**

This ebook will be worth acquiring. It is actually writer in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Trystan Yundt**
