THE MESSAGE OF JESUS TO MEN OF WEALTH (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Message of Jesus to Men of Wealth Among the notable signs Of the times is what might be called, for lack of a better term, the intellectual supremacy of Jesus Christ. He has always commanded the conscience even when the will has rebelled. For nineteen hundred years men have acknowledged Him to be the loftiest exemplar of all moral excellence even though they refused to follow in His footsteps. Men have willingly conceded to Him the deepest Spirit ual insight and the highest authority touching religious truth, even though they deemed the Sermon on the Mount inapplicable to practical life. They are now beginning to see that His Words contain the solution of the great problems of this life, as well as of that which IS to come that He 18 the Saviour of society no less than of individual souls; that to disregard His teachings is poor statesmanship and bad political economy as well as bad morals and irreligion. Property is one of the central facts of civilization. Its production, transportation and distribution, engage men s industries; its acquisition is the common object of endeavor; the love of it is the root of all evil. It would have been strange indeed if the Great Teacher had had little or nothing to say concerning so great a factor in human life. As a matter of fact he had very much to say concerning it, not only by way of illustration, but also touching the fundamental principles of its use.
