## BITTERSWEET LESSONS OF A STARTUP GUY

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.We all go through life accumulating experiences, and from them we learn lessons. Some lessons are happy ones we learn from our successes and others from our failures (at least that s the way it is supposed to be). An entrepreneur struggles at two level. One is at a professional level trying to get the business right, and the other is at a personal level trying to cope with personal, familial and social pressures of the tons of setbacks that the entrepreneur has to navigate through the journey of a startup. This book is not about the professional struggle. There is no attempt at analyzing any business techniques. This book is about the personal and emotional struggles of an entrepreneur. More specifically it is about my personal struggles, along with some struggles that I observed of my friends and other fellow entrepreneurs. I have addressed this book to the set of people who from my personal experience needs emotional reinforcement, validation and encouragement the most - young persons who are either thinking of doing a startup or have just jumped into one. I happened to have been forced to keep note of my failures due to circumstances explained in the book, from which I have drawn inferences and codified them as lessons for myself. These are not general life lessons or technical lessons about running a business. These are lessons I have learnt about the personal struggles, trials and tribulations of a person doing a startup. I felt compelled to share my lessons with the world for reasons explained inside, in the most public way possible - by writing it in a book. So what qualifies me to...
