Penguin Books Ltd, United Kingdom, 1997. Paperback. Condition: New. Reprint. Language: English . Brand New Book. As a man and an artist, Orson Welles was larger-than-life--vivid, energetic, unpredictable, and riveting. But in this first volume of his masterful, highly acclaimed biography, Simon Callow finally captures the chameleonic genius whole, as only an actor/director deeply rooted in the entertainment industry could. Here, brilliantly placed in its historical and social setting, is Welles s prodigious childhood; his youth in New York, with its fraught partnership with John Houseman and the groundbreaking triumphs of his all-black Macbeth and his modern-dress Julius Caesar; the pioneering radio work that culminated in the notorious 1938 broadcast of War of the Worlds ; and finally, Hollywood--with a fascinatingly detailed and authoritative account of the making of Citizen Kane, still regarded by many as the finest film of all time. Rich in detail, wit, and insight, Callow s Orson Welles succeeds in revealing a life even more extraordinary than the myths that have surrounded it.
