

Analyse Sociale Du Territoire (Paperback)

By Yvan Desbiens

Univ Europeenne, United States, 2010. Paperback. Condition: New. Language: French . Brand New Book. Dans cet ensemble existentiel de l'ordre du monde reel, symbolique, social, individuel, etatique, le territoire porterait aussi le secret des origines de l'homme, des origines de son esprit. Les formes inscrites dans les lieux, les uvres et les ruines (fruits du travail des societes precedentes), les lieux et les mots, les lieux-dits, les survivances transmises par les langues et les traditions, tout ce que renferment les textes anciens et leurs mythes demontrent la systemique du territoire. Toutes ces memoires sont a rearranger dans une totalite qui, en rendant compte du territoire, rend compte aussi des origines des societes et des cultures, et de leur continuite qui s'organisent finalement autour de la vie des symboles et des themes ideologiques fondamentaux. Cela permet de penser le territoire comme un systeme en devenir de signes revelateurs de la relation nature/culture, qui commande la logique et les fonctions du monde.

Reviews

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.

-- **Dr. Bethany Lindgren**

Merely no words and phrases to explain. I was able to comprehend almost everything out of this created e publication. I am quickly will get a satisfaction of studying a created ebook.
