Reviews

Unquestionably, this is the finest work by any publisher. I really could comprehend every little thing using this published e book. You will not sense monotony at anytime of your respective time (that's what catalogs are for regarding should you question me).
(Joe Kessler)

Mira Books, Canada, 2013. Paperback. Book Condition: New. Reprint. 168 x 104 mm. Language: English . Brand New Book. Against the peaceful night sky, a barn BURNS Sarah Kauffman sought permission from her church elders to paint murals on a few of the Amish community s barns. Each was designed like an old-fashioned quilt square, representing a piece of the Amish traditions Sarah loved. The works of art were intended to draw more tourists to the Home Valley in the struggling economy. But instead, they invited a menace. One by one, each barn is set ablaze and destroyed. The arson fires spread fear through the communityamong Amish and Englischers alike. Arson investigator Nate MacKenzie, an outsider, struggles to investigate the crime scenes while adhering to Amish ways. As the fires rage, beliefs are challenged, a way of life is questioned and family secrets are exposed. Now Sarah wonders if she s being punished for her pridefulnessor whether there s a more malevolent will at work.
