Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.He ll show her exactly what s under his kilt. MOLLY The first time I saw Mr. McGowan, he was walking into our class wearing a kilt. Our substitute professor, he was big and brooding, masculine, and had a sexy Scottish brogue going on. Maybe I didn t need that extra tutoring, but I sure as hell wanted it. ALASTAIR I noticed Molly the moment I stepped into the classroom. She was the wee lass with the fire-colored hair, the intense green eyes, and a body that had me burning alive. I didn t want to look away from her because I knew she was mine. Maybe there was a rule about staff not fraternizing with students. But given that I m just the substitute professor, and that I wanted her like a fiend, I was about to cross some lines and break some rules. Warning: You ever wonder what s under a man s kilt? Well, this story won t leave you in the dark. It s short, of course filthy, and has a Scottish hero with a sexy brogue. He only has eyes for his heroine, and will teach her a thing or two about how good it can feel to get dirty.
