It s written in an easy to read style - not dry and boring like some of these books can be. The book provides a great perspective of what it is like to have a diabetic dog and what you must do if you think your dog is diabetic. Easy-to-Understand Guide to Home Health Care for Your Pooch; This book is a get-down-to-business book about the home care of dogs that have been diagnosed with diabetes. I highly recommend this book for anyone with an older dog or a dog...
