LAW IS A SEAMLESS WEB - VOLUME 2: LAW PUNDIT 2007-2009 (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The here published materials focus on law, legal issues and jurisprudence, including intellectual property (copyrights, patents, trademarks), Constitutional Law, information technology (IT), telecommunications, new media, the Internet, social media networking, politics and current events, personal computers and their spin-offs (smartphones, pads, tablets), sports, travel, the history of civilization, the history of law, cyberspace, and lifestyle. Law is a Seamless Web is a multi-volume publication that contains a wide selection of the collected wisdom of LawPundit postings, starting in the year 2003. Ultimately selected materials concentrate on topics that presumably remain of general or specialized interest over longer periods of time, also beyond the original dates of posting. The initial selections for the print version were checked for the currency of links, substituting current pages or removing dead links as required, but this turned out to be such a gargantuan task that we ultimately abandoned it, since such changes also changed the general content of postings. Many links simply have no permanence. That is part of the ephemeral nature of the digital landscape, even in law. LawPundit is a legal blog, a so-called blawg, originally hosted at , that was started...
