In the middle of the countryside, there are three farms, all in a row, where Lisa, her two brothers and their friends live. Some days they pretend to be shipwrecked pirates. Others they explore the caves across the lake, sell the cherries they've picked, or sleep under the stars after a fishing trip. One day, Lisa even takes her lamb to school! There's never a quiet day for the children of Noisy Village! A charming collection of stories from one of the world's best-loved children's authors.
