White voters, convinced by powerful interests that minorities are their true enemies, fail to see the connection between the political agendas they support and the surging wealth inequality that takes an increasing toll on their lives. The tactic continues at full force, with the Republican Party using racial provocations to drum up enthusiasm for weakening unions and public pensions, defunding public schools, and opposing health care reform. Rejecting any simple story of malevolent and obvious racism, Haney Lopez links as never before the two central themes that dominate American politics today: the decline of the middle class and the...
