

Father Water, Mother Woods (Hardback)

By Gary Paulsen

Perfection Learning, 1996. Hardback. Condition: New. Language: English . Brand New Book. Survival in the wilderness--Gary Paulsen writes about it so powerfully in his novels Hatchet and The River because he s lived it. These essays recount his adventures alone and with friends, along the rivers and in the woods of northern Minnesota. There, fishing and hunting are serious business, requiring skill, secrets, and inspiration. Luck, too--not every big one gets away. This book takes readers through the seasons, from the incredible taste of a spring fish fresh from the smokehouse, to the first sight of the first deer, to the peace of the winter days spent dreaming by the stove in a fishhouse on the ice. In Paulsen s north country, every expedition is a major one, and often hilarious. Once again Gary Paulsen demonstrates why he is one of America s most beloved writers, for he shows us fishing and hunting as pleasure, as art, as companionship, and as sources of life s deepest lessons.

Reviews

It is a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

An incredibly awesome publication with perfect and lucid reasons. It can be written in simple phrases and not confusing. I am just delighted to let you know that this is actually the very best publication I actually have studied during my very own lifestyle and could be the best publication for actually.
