Clearfield. Paperback. Condition: New. 300 pages. Dimensions: 9.9in. x 7.0in. x 0.6in. No other official record or group of records is as historically significant as the 1790 census of the United States. The taking of this census marked the inauguration of a process that continues right up to our own day--the enumeration at ten-year intervals of the entire American population. In its very continuity the census is a mirror image of the evolution of the American republic, and the census of 1790, the first official enumeration of all heads of household residing in the infant republic, is the true starting point of this process, the place where we can point a finger and say with confidence, This is where it started! From here on we deal with facts! The equivalent of Englands Domesday Book, the 1790 census is an authentic chronicle of the American people during the period immediately following the Revolution and at the time of the adoption of the Constitution. It is certain that no other set of records in the government archives contains as much information about ordinary citizens at this momentous period in history. The original 1790 enumerations covered the present states of Connecticut, Delaware, Georgia, Kentucky, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, South Carolina, Tennessee, Vermont, and Virginia. Unfortunately, not all the schedules have survived, the returns for the states of Delaware, Georgia, Kentucky, New Jersey, Tennessee, and Virginia having been lost or destroyed, possibly when the British burned the Capitol at Washington during the War of 1812, though there seems to be no proof for this. For Virginia, taxpayer lists made in the years 1782-1785 have been reconstructed as replacements for the original returns. In response to repeated requests from genealogists, historians, and patriotic societies, the surviving...
