Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This coloring book is probably unlike any you ve ever experienced before. It combines three very unique entities that bridge this generation; social media, WOMEN, and entrepreneurship! It was created exclusively for the opportunity to celebrate WOMEN of every race, every religion, and every belief system in the world. The book doesn t follow a common theme. Every illustration is the depiction of a day in the life of WOMEN from all over the globe. 9 different WOMEN were commissioned, via social media, to create each drawing from their own perspective. By utilizing social media, WOMEN from countries such as Brazil, Taiwan, the USA, and Romania (to name a few), were able to depict what life is, to them, in their own environments and in their own vision. Some of the images are political in nature, some are cultural, and others are just plain fun! This project shows, that no matter how different people try to make us appear, we are inevitably all the same. As WOMEN, we work, get married, have babies, and do what we can to protect our families; no matter our race, sexual orientation, or creed. Please take this opportunity to uplift the WOMEN in your life; to empower them, encourage them, and most of all, celebrate them. Happy coloring!.
