

## Analyse de La Pauvrete (Paperback)

By Oula Ben Hassine, Ben Hassine Oula

Editions Universitaires Europeennes, United States, 2013. Paperback. Condition: New. Language: French . Brand New Book. Beaucoup de travaux s'accordent à noter la persistance et l'aggravation des phénomènes de privation dans les sociétés développées. Toutefois, la définition de la pauvreté est loin de constituer un point d'accord entre les spécialistes: considérer la pauvreté, dans une optique utilitariste comme un phénomène monétaire ou plutôt adopter une vision multidimensionnelle qui tient compte des différents aspects de la vie? Notre ambition dans cet ouvrage est de confronter ces deux optiques et voir dans quelle mesure la vision multidimensionnelle, basée sur l'approche par les capacités d'Amartya Sen, fournit un cadre plus approprié pour étudier la pauvreté. L'originalité de cette approche consiste à valoriser la liberté dont disposent les individus afin de réaliser le mode de vie qu'ils souhaitent mener. Notre application de ces approches, sur des données françaises issues du dispositif d'enquêtes permanentes sur les conditions de vie des ménages, montre une similarité dans le profil de pauvreté dessinée sans coïncider sur une distribution unique.
