Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Little Philosophies But it is in his alluring narrative of his journey to the West Indian islands, a graphic and poetic revelation of the beauties of these favored spots in the Caribbean sea, that Harry's active mind found its freest scope. Nothing of interest seems to have escaped his roving, yet observant eye. Whether in character drawings, anecdote telling, dwelling on the many moods of nature at sea or on shore, bits of humorous description, or swift changes to deep pathos - as seen in his all too brief story of the mother's sacrifice to follow her leprous son to a living death - his love for humanity is uppermost, his unfailing geniality of disposition ever dominant, his gentle humor constantly lubricating the asperities of the most trying situations.
