

Nuevo Dardo En La Palabra, El

By Lazaro Carreter, Fernando

DEBOLSILLO, 2015. Condition: Nuevo. La acogida excepcional que, hace cinco años, obtuvo la compilación de los artículos aparecidos con el título El dardo en la palabra ha llevado a Fernando Lázaro Carreter a reunir en este volumen los publicados desde 1999 en el diario El País. Con erudición y agudo sentido del humor, el eminente académico alerta acerca del desconocimiento de los recursos del propio idioma, tan recuente en cuantos gozan de vida pública, y el aluvión acrítico de términos nuevos innecesarios, que hacen peligrar la comunicación entre millones de hispanohablantes. Procurar la estabilidad del español es una labor que corresponde a todos los hablantes con una conciencia crítica. A ellos van destinados estos «dardos». Reseña: «Los dardos no están hechos para multar ni para encarcelar a nadie, sólo quieren ser una llamada de atención para no desviarse del camino que la comunidad lingüística nos traza. Una excelente llamada.» El Cultural.
