The group has to find the mysterious Bard and convince him to help them, but not everyone they meet can be trusted, as one of them discovers when she pays the ultimate price for having faith in the wrong person. The surprising truth about one of them is revealed and another s true past is discovered. When Tor is forced to visit a place no man wishes to go, he uncovers the reality of the nightly rituals that take place there. New allies will join them while others are left behind as the quest makes them revisit familiar places, with deadly consequences.
