

Computed Tomography (Paperback)

By Stewart C. Bushong

McGraw-Hill Education - Europe, United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. If you've ever used a highlighter to identify key facts, phrases, concepts and equations in your study, you'll appreciate the format of McGraw-Hill's Essentials of Medical Imaging Series. Each book in the series features only these highlighted facts in an easy-to-use, bulleted format that makes study quick, efficient, and enjoyable. Because each author is a top flight instructor from the world of radiologic science, readers can count on coverage that is thorough and battle-tested in the classroom. Interesting and entertaining illustrations and boxed material help to master and remember important concepts. Plus, practice questions at the end of each chapter reinforce understanding of key points. The EMI Series presents the full range of topics in radiologic science that must be known to succeed in the classroom, excel on ARRT exams, and flourish in clinical practice.
