Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Shakespeare and Goethe: On Gresham s Law and the Single Gold Standard I have passed my 80th birthday. By any good light I can still read fine newspaper print without glasses. My handwriting is as regular, all my nerves as steady, my appetite and digestion as good and my step almost as springy, as they were 40 years ago. Yet I have outlived all partisan bias and prejudice. Have no personal interest in party politics beyond a desire to transmit to my grandchildren unimpaired the constitutional government, by which our forefathers hoped to secure the blessings of liberty to themselves and their posterity. What I desire for my own I desire for the grandchildren of all my neighbors; and use this word in its scriptural sense (see St. Luke ch. x., v. 25 to 37), to include all citizens of the United States. By nature and practice I am an optimist. My good health and long life are chiefly due to the habit of always taking a cheerful view of whatever happens. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
