On a beautiful sunshiny Spring day with the buds bursting oh the trees, with the first shinuner of green in the grass, with the chirp of the first robin, there comes again that craving for the lake, the river and the woodland that means but one thing: Goin Fishin . Sure we re goin fishin !! We re going again to the home of the bass, the musky, the pike and the trout; we re going again armed with the confidence of landing the big one that just escaped last year. We know the log beneath which he is waiting for another juicy frog or minnow, the log beneath which he has waited for us year after year, that fighting old grandfather of all his kind, but this year is to be his last. We have sorted up the old tackle box, have tested the favorite casting rod, have spooled a new line on the old reliable reel, and we are going forth with a keen anticipation of the battle royal that awaits us, and with an assurance of victory. Yes we have that assurance of victory bom of past defeats. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
