Brand New Book ***** Print on Demand *****.Everything You Need to Know About the Witchcraft, From Best-Selling Wicca Author Lisa Chamberlain: Witchcraft is a word that, for some, may inspire fantastical images of women flying through the night sky on broomsticks and shooting sparks out of a glimmering wand. Rather than hexing, Witches work their craft to enhance their lives and the lives of those around them. If you feel like your life is missing something, a little bit of magic could be all you need to give you a push in the right direction. A Magical Calling: Are You Ready to Practice Magic? Perhaps you've had inklings, on and off throughout your life, that there's something just a little bit different about you-something about the way you perceive the world that isn't quite shared by most people around you, but is difficult for you to explain....
