Reviews

This is actually the very best book i actually have read till now. This is for all those who statte that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.

(Mr. Jeramy Leuschke IV)

NEMESISTER (PAPERBACK)

Urbane Publications, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. An American Gothic thriller of deception and obsession, slicked in sweat and set in the swamps of Louisiana. It s a psychological mystery where the female protagonist stumbles into a deserted shack with no memory but a gun in her hand. There she meets an apparent stranger, Red, and the two find themselves isolated and under attack from unseen assailants. Barricaded inside for a sweltering night, cabin fever sets in and brings her flashes of insight which might be memory or vision as the swamp sighs and moans around her. Exploring in the dark she finds hidden keys that seem to reveal her identity and that of her mysterious host, but which are the more dangerous - the lies he s told her, or the ones she s told herself?.
