Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.After the release of their earlier iMac model in June of 2014, consumers sent Apple Inc. back to the drawing board. The result came later at the October 16, 2014 launch of the iPad Air 2 and new Mac Mini, in Cupertino California in the form of the new 27 inch Retina 5k iMac. This came with sensational reviews and commendations on the impressive improvement this model would offer to the world of technology. In this book, we will explore the features of this latest piece of technology and highlight the significance of each feature. To make more informed decisions, one must be armed with pertinent and specific product details. It is our hope that that this piece will not only expand the knowledge base surrounding this latest innovation but provide requisite details for an informed selection.
