Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

COUNSELLING AND PSYCHOTHERAPY WITH OLDER PEOPLE: A PSYCHODYNAMIC APPROACH

Palgrave MacMillan. Paperback. Condition: New. This item is printed on demand. 224 pages. This new edition of Terrys popular text, *Working with the Elderly and their Carers*, has been updated throughout to include the latest developments in the theory and practice of psychodynamic work with older people. Two new chapters look at difficulties in mourning in the later years and at the particular challenges which therapists in training may encounter in working with this age group. The new edition also includes new case studies and substantial new material on observation and counselling in dementia and on time-limited work with older people. This item ships from La Vergne, TN. Paperback.
