Lulu.com, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.More than a book of popular quotes, this volume is a powerful reference tool for some of the most frequently-cited poems, news articles, fiction, memoir, history, and creative nonfiction on the web. It also provides the largest single selection of quotes by the author, many available only in these pages, including the entire special section titled TAO OF THE RAINBOW. In addition, the book as a whole demonstrates the ability of social media such as Twitter, Facebook, Tumblr, and Google+ to help make positive and inspiring differences in 21st-century life. Journey through the Power of the Rainbow represents a condensed compendium of literary efforts from a life dedicated to transforming the themes of injustice, grief, and despair that we all encounter during some unavoidable point of our existence into a sustainable life-affirming poetics of passionate creativity, empowered spiritual vision, and inspired commitment. --Aberjhani, from Journey through the Power of the Rainbow.
