## RACE TRACKDAY DRIVING TECHNIQUES (PAPERBACK)

To get **Race Trackday Driving Techniques (Paperback)** eBook, please refer to the button below and download the ebook or have access to other information which might be in conjunction with RACE TRACKDAY DRIVING TECHNIQUES (PAPERBACK) ebook.

Veloce Publishing Ltd, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. Exiting the corner the car dances on the edge of adhesion as it brushes up against the dirt on the edge of the kerb. You are hard on the throttle and accelerating up the straight, there is no way you could have made that corner any faster - or is there? Inside Race Trackday Driving Techniques you will find all the secrets, skills and methods that will see your lap times tumble. The book covers everything from the fundamental principles through to individual techniques for specific corners, whilst also helping you analyse what you can do off the track to improve your performance when you are on it. You will also discover why techniques work, to give you a greater understanding of the process of driving faster - from why the Traction Circle is only really relevant to the chassis engineer rather than the driver, through to why trail braking works on one corner and not another, amongst many other principles. Also features a corner-by-corner guide to some of the UK's best circuits, and a Further skills section to expand your performance driving repertoire with skills such as drifting and J-turns.
