

Global Trends 2030 Alternative Worlds Global Trends Reports Volume 5

By National Intelligence Council

Center for the Study of Intelligence. Paperback. Condition: New. 166 pages. Dimensions: 10.9in. x 8.4in. x 0.6in. GLOBAL TRENDS 2030 is intended to stimulate thinking about the rapid and vast geopolitical changes characterizing the world today and possible global trajectories over the next 15 years. The world of 2030 will be radically transformed from our world today. By 2030, no country whether the US, China, or any other large country will be a hegemonic power. The empowerment of individuals and diffusion of power among states and from states to informal networks will have a dramatic impact, largely reversing the historic rise of the West since 1750, restoring Asia's weight in the global economy, and ushering in a new era of democratization at the international and domestic level. In addition to individual empowerment and the diffusion of state power, we believe that two other megatrends will shape our world out to 2030: demographic patterns, especially rapid aging; and growing resource demands which, in the cases of food and water, might lead to scarcities. These trends, which are virtually certain, exist today, but during the next 15-20 years they will gain much greater momentum. Underpinning the megatrends are tectonic shifts - critical changes to key...
