Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Part of Jesus and of the Apostles As is well known, there are already two extensive works on the life of Jesus: one by the late German theologian, Strauss, and the other by the French savant, Renan. The undersigned, nevertheless, believes that an enlightened Christian public will gladly receive the present work for the better establishment of truth in history. The author of it, Dr. Rabbinowicz, is, according to all that can be learned about him, extraordinarily capacitated for it. He is one of the greatest philologists and talmudists in Europe. He is one of the first savants who has translated the Talmud into a living language, the French - a work which of late has become of so much interest to Christian theological scholars in England, Germany and America, very likely on account of its giving so much illumination to dark passages in the New Testament and the writings of the first Christian fathers of the Church. He has the Old as well as the New Testament, using a familiar expression, at his fingers ends; and, by his definitions and illustrations of mysterious phrases - as, for instance: Son of God, kingdom of God, kingdom of heaven, holy ghost, - all proved irrefutably by similar applications of the terms in the Old Testament - gives, as it were, a new coloring to the whole picture. Strauss, in his extraordinarily learned work, The Life of Jesus, the history of whom, after a critical and profound investigation, he finds incredible, and all of it mythical, tries - in the interest of the preservation of the Christian religion - to give a new foundation to it..
