JESUS IS ALWAYS NEAR! (PAPERBACK)

Xulon Press, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I have been working in specialized foster care for over 10 years. God has chosen through all my mistakes, failures, to do something amazing. God has done something special in my midst with the least of these. God has poured out his love, healing and deliverance to set children free. I have learned to rely on the promises of God for myself and all children in my sphere of influence. God stretches me further and further to build my faith. God always showed up! I have tried to equip children to battle for their own souls and the souls of the ones they love. The rewards are great! Eternity will be influenced. I pray for what my family and I have done and will do. I pray that this encourages you to go after the least of these and the worst of these and stand on the promises of God on their behalf until they can stand themselves and go out and make disciples. Jane Bell has witnessed miracles of faith and prayer right under her own roof, and right before the eyes of many Family Service, Foster Care and Public Education professionals! The experts have declared limits over the children Jane has committed herself to care for, but the Lord is having the final word in the lives of these miracle children, through Jane s deep faith in the promises of God found in Scripture, and through her daily diligence in the trenches of miracle-making in the lives of broken children. Anyone who comes anywhere near Jane and her growing family of walking miracles, can see the joy of the Lord and devil-defying power of Jesus Christ in the least..
