Xulon Press, United States, 2015. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Song of Songs powerfully evokes the passions of the heart as it explores the intimate bond of love between a man and woman. What makes this song great is that it consistently reflects the message of salvation, in which God reveals his great love for his people. The love of God in Christ Jesus forms the foundation for a loving relationship with God, our spouse and our neighbour. Therefore this song is not in the first place about marriage but about the mystery of love and its power to motivate the life of God's people in the service of God. This book will explore questions such as: What am I looking for in a marriage partner, how do we as a couple develop our love during courtship and how do we build and maintain a loving relationship in marriage? Is this song still relevant with regard to modern issues surrounding sexuality? What does this song teach us about building and maintaining love for the Lord, and how can I grow in my relationship with Jesus Christ as my Saviour? Author profile: Matthew H. VanLuik has served as a minister in Canadian Reformed Churches for 30 years and currently is pastor of the Grace Canadian Reformed Church in Brampton Ontario. He obtained his M.Div. at the Canadian Reformed Theological Seminary in Hamilton and the Th.M. in Old Testament Studies at Regent College in Vancouver. He is shown here with his wife.
