Brand New Book ***** Print on Demand *****.People ask me one simple question every time I share my story: Richard, what keeps you going? I tell them what I am telling you: It is that thing in my soup that keeps me going. They ask me time after time: What is that thing in your soup? What kind of soup is that? What are the ingredients? How do you prepare it? Can you please show me? I am sure you are asking the same questions and you certainly need answers. Have you ever thought that somebody owes you something? Are you mad at your lecturers or teachers for the grades on your report cards? Well, calm down and let me tell you something. It is not their fault because they are not responsible for your entire life. They do not owe you anything. If you go through life with the mindset that someone owes you something, then you are setting yourself up to fail. In life, you cannot just live, you should have something to live for.
