Reviews

The book is not difficult to read through better to recognize. It really is written in straightforward terms instead of confusing. I am happy to inform you that this is actually the finest publication I actually have read in my individual daily life and may be the best book for possibly.

(Valerie Heaney)

OMEROS (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Homer, the epic poet, lays in bed as he awaits his imminent demise. He sees the Muse of Epic Poetry appear before him. The Muse allows him to become part of the world of his epic poem. Sing no more, Muse, for the lights of Olympus have faded. The gods have fallen silent, the glowing worlds beneath them no longer in a state of becoming. Helen s beauty, the bearer of all summer likenesses, becomes a mere imprint on my poetic tongue s last spoken syllable. A once-unending river bends. Like Achilles, I feel time irrevocably shifting my life s golden stream. My life is ending. Time hurls itself toward me, distinctly sharp and clear in its mortal profusion. The arrow reaches its mark, and I feel that the demigod s hands are my own. The half-perspiring palms are intersecting lines, which then converge with smaller lines along the coarsely gleaming moisture. I sink beneath the weight of a heavy sky. A world immeasurably white now breathes the end of me, reminding me of the silent kindness of snow. My time has come. My life ebbs away into a rimless ocean, the sun above it no longer a radiant disc but a sky entire. A heaven-shaped sun filled to my mortal world s brim. The light of this sky blinds me with necessity, for it quickly departs and gives way to heavy tears of soot. The sky is now as sightless as a poetry unheard, the dim stars in it teeming with unconcern, half-jovial indifference even. My life rises beneath the blackened dome. It moves like a century s incessant yearning. Calliope appears before me, her hand gliding gently above mine. Her...
