### COUNTRIES OF THE WORLD: PERU

National Geographic Society. Paperback. Book Condition: new. BRAND NEW, Countries of the World: Peru, Anita Croy, Peru was once the center of an extensive South American empire ruled by the Inca. Rich archaeological sites dating to the time of the Inca draw tourists and scientists alike to the region. Features of the series include: main chapters that focus on geography, people and culture, history, government and economy, and nature; 'At a Glance' double spreads to present a maximum amount of information in a minimal amount of space, utilizing charts, tables, time lines, and other highly visual elements; and, full-page maps that highlight physical features, vegetation and ecosystems, history, population, and political organization. As a bonus, every photograph within each chapter is tied to a location on the main map for that chapter. Smaller maps zoom in on special topics, such as migration, rainfall, changing borders, resources, industry, and other important themes. This book includes: special feature sidebars that introduce intriguing people, places, and events; a glossary to aid in comprehension of unfamiliar terms; and, an extensive bibliography that lists books, National Geographic articles, and Web sites.
