Ellen Red lived a picture perfect life until her sweet sixteen. That was the day she found out she was a changeling, a fairy princess and her hometown of Rochester was now her kingdom. Also, the boys she's been crushing on, Jason and Ralph, are a werewolf and a wizard. And then there's also a vampire who wants her and her kingdom too. Helping her through all this is Jasper, her estranged cousin who is part dragon, as is his girlfriend Jade, but at least they also gave her a unicorn named Rainbow, who now forms Ellen's royal fairy court. Growing up is complicated enough, adding the supernatural just took things to a whole new level. This item ships from La Vergne, TN. Paperback.
