BRAND NEW, The Black Monastery, Stav Sherez, When Nikos, a detective in the final years of his career, is persuaded back to his home town he is faced with the gory murder of a young boy near the old monastery. Echoing two murders committed 33 years previously in the exact same spot, and a mass cult suicide, it brings back a part of the island's history that it has tried hard to forget. There is a lot at stake - the island's lucrative tourist trade and the open secret of the drugs trade that goes hand in hand with the hordes of mainly young British holiday makers. As Nikos begins his investigation, two British crime writers arrive on the island. The best selling Kitty Carson, on a break from the pressures of writing and her strained relationship, and Jason an aspiring writer whose aim is to strike up a friendship with her and convince her to help him get published. As the two writers are thrown together in an unexpected way, another murder is committed and Jason and Kitty are drawn into an investigation of their own. As they discover more about the island's dark past what began as a diversion becomes a dangerous pursuit.
