Clink Street Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Following the murder of Benedict and Darcy Blacktail, two eggs savagely beaten to death outside their home by an unknown, fedora wearing assailant brandishing a large metal spoon, Detective Inspector Willie Wortel, carrot and the leading food detective in the police force, is called in to investigate. When the only food sapiens minister in the Government, Professor Perry Partridge, is murdered at the Strawberry Strip Club, run by the young damson Victoria Plum, DI Wortel suspects that the two cases may somehow be linked. As the Head of the Food Related Crime Division, DI Wortel is ably assisted by his human colleague Sergeant Dorothy Knox. But as their investigation begins, four celebrity chefs are sent death threats. It's a recipe for disaster as the incarcerated evil genius MadCow McBeef is seeking parole; someone appears to have crumbled Mr Bramley's apples; and there is an anti-GM food protestor on the prowl. And why do Oranges and Lemons think they owe someone five farthings? DI Wortel and his team must find out who is seemingly addicted to death. It will take all efforts - human, fruit and vegetable - to figure this one out.
