CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 202 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Jos Boys, and How They Turned Out: A Sequel to Little Men is a novel by American author Louisa May Alcott, first published in 1886. The novel is the final book in the unofficial Little Women series. In it, Jos children, now grown, are caught up in real world troubles. The book mostly follows the lives of Plumfield boys who were introduced in Little Men, particularly Tommy, Emil, Demi, Nat, Dan, and Professor Bhaer and Jos sons Rob and Teddy, although the others make frequent appearances as well. The book takes place ten years after Little Men. Dolly and George are college students dealing with the temptations of snobbery, arrogance, self-indulgence and vanity. Tommy becomes a medical student to impress childhood sweetheart Nan, but after accidentally falling in love with and proposing to Dora, he joins his family business. Sections of Jos Boys follow the travels of former students who have deep emotional ties to Plumfield and the Bhaers. Professor Bhaers nephew Emil is now a sailor, and takes off on his first voyage as second mate and shows his true strength when he is shipwrecked and the captain badly injured. Dan seeks his fortune in the West and ends up in jail. He also falls in love with a person far beyond his reach, Jos niece and Amys daughter Bess. Nat begins a musical career in Europe that takes him away from Daisy, only to fall in with a frivolous crowd and unintentionally lead a young woman on, whom he then does not marry. Romance also plays a role in Jos Boys, as both Franz and Emil find their own wives, and Tommy, Demi, Nat and Daisy are engaged...
