Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Growing up in rural Northern California in the 1960 s and 70 s led me on many great adventures and some perilous experiences many of my own making . After reviewing some of these experiences I realized just how close I came to death on many occasions. Childhood and teenage pranks led me to far more risky behaviors in my adult life. Living the life of a drummer in both rock and country bands led me into even more risky behaviors including drug and alcohol abuse. After hitting bottom, with the help of my family I eventually overcame many obstacles and came to grips with my spiritual path. I wrote this originally for my sons, to help them understand why their father was nuts, and for my grandchildren so they would have a family history to gain inspiration from.
