Reviews

This pdf will be worth buying. Better than never, though I am quite late in starting to read this one. I can easily get an enjoyment of reading through a published book.

(Paul Ankunding)

LEARNING GREEK WITH PLATO: A BEGINNER'S COURSE IN CLASSICAL GREEK (PAPERBACK)

Liverpool University Press, United Kingdom, 2007. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Adult learners of ancient Greek are often attracted to it by the prospect of being able to read in the original a particular author or genre. Greek philosophical writing and Plato in particular is often the target. This book's material has been tried and tested by the author over the years with adult classes, and can be used as a course textbook, or as a handbook for self-teaching. Each of 25 sections is clearly laid out - with tabulation of Greek word-forms and grammar. Each includes ample exercises and practice in reading Greek sentences. Readings in later sections consist of passages of continuous Greek from Plato's Meno, a typical Platonic dramatic dialogue.
