## WHAT ARE THE MIDDLE AGES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The current definition of the Middle Ages implies that they are an intermediary epoch between two civilizations, and, therefore, only a break in the course of civilization. The author proceeds to consider this definition and then proceeds to prove that the current definition of the Middle Ages has created a misconception of the Middle Ages. Kurth also states that the Middle Ages are by no means the ideal civilization, although there are many good things to be said about these times. This work may be short, but its information well worth reading.
