To be promoted to a worthwhile position needs many exceptional qualities and, unless well prepared, it can be so easy to miss that desired goal. To say or think, I aim to be promoted is only the start of that journey. The ambitious will know that the only way to complete that trek and obtain promotion is to REALLY prepare for it. That sounds like a demanding job - a type of hard labour! It is - unless it is known exactly what must be done to be successful. Like roads sign posts are needed to enable the traveller to complete successfully the journey - that is, to obtain a worthwhile promotion. Those seeking promotion are clearly able to understand what must be done to achieve success by reading WHIZZ. . . TO PROMOTION. This book is dedicated to those seeking promotion. It outlines 20 OBJECTIVES that a successful person must follow to be sure - as sure as one can be of anything - of being offered promotion. Read, as an example, that you must be in the right job; only YOU can make it happen. . . remember that nothing happens unless YOU make it; how to acknowledge your own limitations and weaknesses; efficient personal organisation; on being enthusiastic and confident; on thinking positive, et al. This is not an academic treatise. It is a book whose sole aim is to aid your quest for promotion. Nothing more, nothing less - its exactly what the title says. . . there are no ifs or buts. Its a working guide which will be of use to you on every working day until you reach that ultimate goal....
