John Wiley Sons Inc, United States, 2004. Mixed media product. Condition: New. 1. Auflage. Language: English . Brand New Book. Praise for the CFO Survival Guide The CFO Survival Guide is a bold, insightful account of the subtle yet powerful interdependencies connecting human values, beliefs, and behaviors to the work performed by people and the wealth this work creates. The Guide s Declaration of Interdependence will challenge aspiring CFOs and corporate leaders to reexamine their understanding of how wealth is created, sustained, and managed in the twenty-first century, and what effect their roles have on wealth-creation and the evolution of the living organizations they lead. -Charles S. Royer SAS Institute, Public Sector-Federal Government Strategic Solutions Major, U.S. Marine Corps (1990-2003) Stenzel and Stenzel shatter the myth that financial leadership is about money and numbers. They prove that to create wealth, a great CFO must be quantitatively savvy, emotionally intelligent, and inspirational. -Richard E. Boyatzis Professor of Organizational Behavior at Case Western Reserve University Coauthor with Daniel Goleman and Annie McKee of the international bestseller Primal Leadership: Realizing the Power of Emotional Intelligence More important to creating a robust bottom line is to build and nurture relationships with employees, customers, suppliers, community, and nature. Catherine and Joe Stenzel give CFOs a much-needed wake-up call. -H. Thomas Johnson 2001 Shingo Laureate Professor of Business Administration, Portland State University Not your usual CFO portrayal. The Stenzels create a compelling argument for why and how putting CFOs in touch with people is central to organizational success. -Paul Sharman President, Focused Management, Inc.
