

Candlesticks and Pivot Point Strategies DVD

By John L. Person

John Wiley Sons Inc, United States, 2009. Digital. Condition: New. Language: English . Brand New Book. Run time: 120 minutes. A winning trading strategy is one that positions you on the winning side of huge moves, and does so in a way that it can actually be implemented. In this new course, John Person, a 28-year trading veteran, gives you just this, the strategies that allow you to stop guessing and start targeting. You get the formula for finding the right pivots and targets for big profits. With a detailed explanation of pivot point analysis and candlestick chart construction, Person will share his favorite combinations so you don't have to take chances; you can stack the odds in your favor. Inside, Person reveals: How to choose the correct support and resistance points to confirm your pivots, The precise way to combine these candle patterns with pivot points to increase the winning percentage, Which price data points are critical to finding profitable trades and why they could be costing you money now, Complete details of this proven formula that spots big moves before they happen, so you can get the gains. Person has studied technical analysis for decades and has...

Reviews

This composed pdf is great. It usually will not cost too much. I am very easily can get a pleasure of reading a composed book.
-- Luis Klein

A must buy book if you need to adding benefit. It really is written in easy terms instead of difficult to understand. I found out this ebook from my dad and i advised this publication to find out.
-- Prof. Elton Gibson I
