Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Practical Instruction for Detectives: A Complete Course in Secret Service Study It has been said that every criminal, no matter how careful he may be in his operations and regardless of the nature of his crime, will leave some trail or clue by which he may be detected. All good detectives will vouch for the truth of this statement. For the real detective no case is too complicated nor too difficult. More trained detectives are needed, and until we have them, undetected crimes and unpunished criminals will continue on the increase.
